AWWA – A Warm Welcome Awaits

An invitation to donate to the Church Heating Project 2011

Dear Friends of St Catharine's,

The PCC met on Sunday 28th May to approve the letting of the contract to Neptune Building Services Ltd of Quedgeley for an upgraded heating system. Work started on Thursday 2nd June and will finish by the end of June.

The project includes new boilers, more radiators, better controls and insulation and some fans to direct heat down to the congregation. Gas consumption should be reduced by 40% which is good for the environment and the finances!

The cost is going to be about £67,000 and it will be necessary to raise another £17,500 to cover the costs. The PCC agreed to proceed in faith on the basis that the congregation would welcome the news that a start has been made and God would provide the means.

The PCC has reaffirmed its support for tithing 10% of the cost to charity and this will follow the raising of £17,500 to restore church reserves.

☐ If you are a taxpayer, please sign the Gift Aid Declaration set out below. For every £100 given, St Catharine's will receive another £25 from the government.

To support this project, please return this form to Keith Birtles, PCC Treasurer.

Thank You

I would like to donate £

Please make cheques payable to St Catharine's PCC, place in an envelope marked 'AWWA' and return to Keith Birtles.

GIFT AID DECLARATION

From.....

Address.....

Please treat all donations I have made, or will make to St Catharine's PCC as Gift Aid donations. I will notify you should my tax, in any financial year be less than the tax reclaimable on my donations.
